Dec. 4th

Catholic Church in Ankeny*

*Our Lady's Immaculate Heart
Catholic Church

510 E 1st St, Ankeny, IA 50021

Don't put those planes away just yet. Yeah, the evening of getting a few flights in after work are quickly coming to an end, however, there is still time for a few great weekends.

This past month of September has been great for flying and was a great way to wrap up the end of the summer. The club had several great events including the sailplane fun fly and the Harvest Huck 3D event. I would like to thank everyone who helped out with these events.

At our EPJ field we have a few new improvements for everyone to enjoy. We now have electric power along the back fence in the pit area, as well as new tables for arming your planes at the flight line. Both of these new additions were donated by new members who just joined this year. A big thank you to all that were involved. I know these are just going to make all of our flying experience even better.

See you at the field,

Duane

Hello Modelaires

This year we have seen the most new members with 30+ new members. We want to welcome them to the club. We will be highlighting some of our members here in the newsletter. If you would like to introduce yourself and are a new member, send me an email and tell me a little bit about yourself.

dwwierling@gmail.com

Bob Denk is a new Modelaires member and has been learning to fly at the West field. Bob is retired and his "other" hobby is making fine furniture from hardwoods. He and his wife Chris reside in Urbandale.

We are very lucky to have two great fields and both with cross runways to handle Iowa winds. Just a few quick reminders for each field:

West:

Only one runway is active at a time and the safety line is that of the active runway.

Be cautious of the home to the South East of the field.

Keep fly over the field to the East to a minimum, just take off and landing.

EPJ:

Cross runways are used in a cross wind and the pattern is still based off of the main runway.

Both fields:

The safety line is infinite and should never be passed.

Des Moines Modelaires

- We fly radio controlled model airplanes at two private flying fields.
- Our meetings are the first Tuesday of each month and there is a program of flying interest plus show and tell at each meeting.
- Members are mailed a monthly newsletter.
- We have a club Christmas and Awards dinner.
- The club sponsors Fun Flies and Summer Club Family Picnic Flies.
- We help run the SIG Fun Fly at Montezuma Iowa.
- The Modelaires will demonstrate R/C flying anywhere that we have room to safely fly.
- Members present model building and flying programs to groups in this area.
- We hold a spring swap meet and a large fall R/C auction.
- We have a pilot training program with booklet and award a solo certificate to members that we train (FREE) to fly. There are instructors to help you learn to fly Radio Control!
- We are one of the top clubs in America. You must join AMA before you can join the Modelaires.
